Call to Order

Mr. Kaag called the Zoom meeting to order at 6:02 p.m.

Approval of Minutes

Moved by Mr. Keller and seconded by Ms. Kaag to approve the minutes of May 24, 2021. Motion carried.

Solar Project Update

Mr. Keller stated that once he receives the borough's account number, he will be following up with ADP Energy.

Litter in America Facts, Trends, and Emerging Opportunities

Ms. Kaag listened to this zoom presentation and the links have been added to today's agenda in the resource section. PPE was discussed in this video presentation and how masks and gloves, from this past year, have contributed to the litter in both roadways and waterways.

Electronic Recycling Update

Ms. Kaag is working on creating a pamphlet that will then be placed in the entrance of the borough hall for West Reading residents. Ms. Kaag brought up that she would also like to eventually organize a recycling drive through the EAC. Mr. Murray suggested that the recycling drive could be done at the borough garage, possibly combining it with yard waste drop off day.

Final Comments

Mr. Kaag reminded members that if there is any project or issue that they would like to have discussed in the EAC meetings to contact him.

Adjournment

Moved by Ms. Kaag and seconded by Mr. Keller to adjourn the meeting at 6:13 p.m. Motion carried.

Respectfully submitted,
Nicole Phillips
